RE: October 2013 Monthly Report

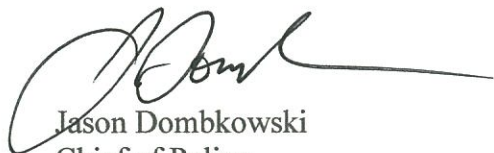

During the month of September, the West Lafayette Police Department received **2,497 calls for service**, a decrease of 332 calls (12%) from September, and an increase of 440 calls (21%) from October 2012.

The WLPD made 161 traffic stops in school zones in the month of October and assisted with a lockdown drill at the West Lafayette Jr. & Sr. High School Campus. Officers assisted with numerous high school sporting events as well during the busy October calendar.

The WLPD guided and participated in a safety assessment tour of Breakfast Club activities during the Purdue vs. Nebraska home football game this past month. The safety assessment tour was comprised of officials from Purdue and West Lafayette. It was a productive tour that gathered information for potential safety improvements to assist in long-term planning for the Village area.

Officers participated in several breast cancer awareness and prevention events this past month, including the wearing of pink t-shirts under their uniform shirts while on duty. Officers also participated in events for domestic violence awareness in the month of October.

Respectfully submitted,

Jason Dombkowski
Chief of Police
